Introduction

We value your privacy and take our responsibility to protect your personal information seriously. This Privacy Policy explains how we collect, use, share, and protect your information when you use our application.

User Controls

You have the right to access, modify, or delete your personal information. You can manage your privacy settings and permissions within the app.

Security

We implement robust security measures to protect your information from unauthorized access or disclosure.

Changes to This Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by updating the effective date at the top of this page.

Information We Collect

- **Personal Information:** When you create an account, you may provide us with personal details such as your name, email address, phone number, date of birth, and profile picture.
- **Content You Share:** Any photos, videos, or messages you upload or share within the app.
- **Usage Data:** We automatically collect information about your activities in the app, including your interaction with content, features accessed, and log data (e.g., IP address, device information).

Data Sharing

We do not sell or rent your personal information to third parties. We may share your information in the following situations:

- With your consent or at your direction.
- With service providers and partners who assist us in delivering our services.
- As required by law or to protect our rights.

How We Use Your Information

- To provide, maintain, and improve our services.
- To communicate with you, including sending updates and notifications.
- To analyze usage and trends to enhance user experience.
